Cameron Massey

330 W 8th St, Unit A, Juneau AK, 99801 - (360) 739 3379   cameron_massey@yahoo.com

EMPLOYMENT

2017 - Present

FAST Enterprises – Implementation Consultant
- Worked closely with state government employees to implement FAST's Gentax tax software. Worked in a small team of six that relied heavily on self-reliance and hard work.
- Debugged and built solutions for problems that arose in the active and ever-changing environment of tax software.
- Worked primarily with Vb.net, MySQL, and Fast's custom front end software.

EDUCATION

2013 - 2017

Eastern Washington University
- Accepted into Computer Science Program
- Cumulative GPA of 3.54; Computer Science/Math Course GPA - 3.78
- Junior

EXPERIENCE

Programming Experience
- Algorithms: tree nav algorithms and time cost analysis.
